## WID version 3.0 Addenda:

Date	Description	Comment
5/1/2025	Stfips file added to	Although stfips fields were
	CESCodes table	removed from most lookup
		tables in WID 3.0 to prevent
		needless redundancy,
		conversation with CES staff
		indicates that there is
		genuine definitional
		differences between some
		codes at the state and
		national level.
11/20/2025	Added Adjusted field as a	This field is included in the
	primary key in the JOLTS	CES and LAUS tables as
	table	part of the primary key.
		JOLTS table should follow
		this standard.
